MOBILE MESSAGING TERMS AND CONDITIONS

Last updated: 6/20/2025

Mark Alberti (“we”, or “us”) operates a mobile messaging program (the “Program”) subject to these Mobile Messaging Terms and Conditions (these “Mobile Messaging Terms”) when you interact with this personalized website operated by Mark Alberti through Agent Force USA. The Program and our collection and use of your personal information is also subject to our Privacy Policy. By agreeing to participate in the Program, you accept and agree to these Mobile Messaging Terms and our Privacy Policy.

1. **Program Description:** We may send transactional mobile messages in various formats through the Program. Transactional messages relate to an existing or ongoing transaction and may include appointment reminders and other transaction-related information. Mobile messages will be sent on an individual basis. They will not be sent using any automated technology, such as an autodialer, automated system, or automatic telephone dialing system. Message frequency will vary depending on your activity, the services you use, and your communication preferences. Typically, 12 messages per Quarter. Message frequency may increase temporarily during key periods such as: Open Enrollment, Special Enrollment Periods, Plan renewal seasons, Important policy or compliance updates. You can manage your communication preferences at any time by replying **STOP** to unsubscribe from SMS messages or **HELP** for customer support. Standard message and data rates may apply.

We do not send promotional or advertisement mobile messages.

2. **User Opt-In:** By providing your mobile phone number to us, you are voluntarily opting in to the Program and you agree to receive mobile messages from us at the mobile phone number associated with your opt-in, even if such number is registered on any state or federal “Do Not Call” list. You agree that any mobile phone number you provide to us is a valid mobile phone number of which you are the owner or authorized user. If you change your mobile phone number or are no longer the owner or authorized user of the mobile phone number, you agree to promptly notify us at (602) 330-5656. Your participation in the Program does not require that you make any purchase from us and your participation in the Program is completely voluntary. **SMS opt-in or phone numbers for the purpose of SMS are not being shared with any third parties under any circumstances.**
3. **User Opt-Out:** You may opt-out of the Program at any time. If you wish to opt-out of the Program and stop receiving mobile messages from us, or you no longer agree to these Mobile Messaging Terms, reply STOP, QUIT, CANCEL, OPT-OUT, and/or UNSUBSCRIBE to the mobile number the message is sent from. You may continue to receive text messages for a short period while we process your request, and you may receive a one-time opt-out confirmation message. You understand and agree that the foregoing is the only reasonable method of opting out. If you want to join the Program again, just sign up as you did the first time, and we will start sending messages to you again. Our mobile messaging platform may not recognize requests that modify the foregoing commands, and you agree that we and our service providers will not be liable for failing to honor requests that do not comply with the requirements in these Mobile Messaging Terms. We may also change the telephone number we use to operate the Program, and we will notify you of any such change. You acknowledge that any requests sent to a telephone number that has been changed may not be received by us and we will not be responsible for failing to honor a request sent to a telephone number that has been changed.
4. **Disclaimer of Warranty and Liability:** The Program is offered on an “as-is” basis and may not be available in all areas, at all times, or on all mobile providers. You agree that neither we nor our service providers will be liable for any failed, delayed, or misdirected delivery of any mobile message or information sent through the Program.

Modifications: We may modify or cancel the Program or any of its features at any time, with or without notice. To the extent permitted by applicable law, we may also modify these Mobile Messaging Terms at any time. Any such modification will take effect when it is posted to our website. You agree to review these Mobile Messaging Terms periodically to ensure that you are aware of any modifications. Your continued participation in the Program will constitute

your acceptance of those modifications.
